Kind Atten: Mr. Suhas Chavan

Dear Sir,

**Sub: Automation of your Toy library using iSLIM Cloud -  
Web-based Library Management system**

I thank you for showing interest in our iSLIM Library Management software. As per the discussion, I take the opportunity to submit our quotation for your kind consideration.

**What is iSLIM Cloud?**

We, at Algorithms, are committed to bring the advantages of the latest technology to our customers. As a part of this endeavor we have now released iSLIM Cloud library management software based on web platform. iSLIM Cloud offers remarkable features to cater to the requirements of managing libraries in the 21<sup>st</sup> century.

iSLIM Cloud includes all the features to automate library staff functionality related to Cataloguing, Circulation, Inventory, Reporting and many more. Now, with iSLIM Cloud, Access iSLIM software anytime, anywhere, from a secure internet connection.

iSLIM Cloud is significantly easier to administer, update, support and expand. It is a model in which the iSLIM is licensed based on Annual Subscription Pattern and the solution is accessed through the internet. You do not have to install or download any local software; we take the responsibility of maintaining the software and your libraries' data. New features and bug fixes can be rolled out immediately to all customers with no downtime.

It also allows libraries to do accurate budgeting, as you are paying for the software but not the hardware that is required to run it.
